FOR

1853.

GARDEN TOOLS, BOOKS, &c.

JAMES M. THORBURN & CO.

15 JOHN STREET,

NEW YORK.

Seeds can be safely transported by mail to any part of the United States, with punctuality and expedition, at a trifling expense for postage.

Particular attention given to the careful packing of Seeds for long voyages, and orders by mail promptly responded to.

NEW-YORK:
WILLIAM S. DORR, PRINTER, 101 NASSAU STREET.
1853.
FLOWER SEEDS.

The largest collection to be found in the United States, embracing every variety worthy of cultivation. Particular attention being given to the early introduction of desirable novelties which may be obtained from us simultaneously with their appearance in Europe.

A descriptive Catalogue, comprising nearly one thousand kinds, with directions for culture, published annually.

---

Bulbous Flowering Roots.

Imported direct from the first Flower Nurseries of Europe. Every desirable variety of Single and Double Hyacinths, Single and Double Tulips, Polyanthus Narcissus, Jonquilles, Crocus, Crown Imperials, Gladiolus, Iris, Ixias, Lilies, Double Narcissus, Arums, Anemones, Ranunculus, &c. Particular care being taken in the selection of the best sorts for parlor winter flowering, for the conservatory or for outdoor planting.

See descriptive Catalogue, with full directions for the culture and treatment of the different bulbs.

---

GREEN HOUSE PLANTS, Roses, Camellias Japonica, Geraniums, Fuchsias, Chrysanthemums, Annual and Hardy Runners, Herbaceous Plants, with every other variety worthy of cultivation in the Green House, Stove, or in the open ground — forming a very extensive collection, for which, see separate Catalogue published at intervals.

---

FRUIT AND ORNAMENTAL TREES, EVERGREENS, HEDGE PLANTS, &c. See separate Catalogue.
